## NOTES

1. This application must be made by the pupil's parent or guardian and forwarded to the Admissions, Appeals and Transport Entitlement Team, Children and Adults Services, County Hall, Durham, DH1 5UJ. The supply of this form must not be regarded as an indication that an award of free travel will be made. Please note that you are required to advise us of any future change of circumstances, e.g. address. To allow assessment and provision of transport prior to the start of an academic year, this form should be returned by **1 June**. We aim to assess eligibility within 4 weeks of receiving an application.
2. To qualify for free travel, pupils of compulsory school age are required to attend the nearest suitable school (note 4), where the home to school distance (based on the parental address), using the shortest available walking route, is:
  - Over 2 miles for children up to the age of \*8 years
  - Over 3 miles for pupils of \*8 years and over\*The 3 mile limit will not apply on a child's 8<sup>th</sup> birthday, but from the start of the academic year after the child reaches the age of 8 years (i.e. usually from the commencement of Year 4). A reassessment will take place at this time.

Please see the home to school transport policy for full details, including provision where a walking route is assessed as unsafe, arrangements to allow pupils to complete their GCSE studies following a house move, travel outside the scope of the policy in exceptional and individual circumstances and the availability of concessionary travel allowing pupils not eligible for free school transport to access spare seats on school vehicles at a concessionary charge.
3. A national policy provides extended rights to pupils eligible for free school meals or whose parents receive their maximum level of Working Tax Credit. This provides transport to:

For **primary pupils** aged 8 but under age 11 years:

  - The nearest suitable school, where that school is more than 2 miles from the child's home.

For **secondary pupils**:

  - 1 of the 3 nearest qualifying secondary schools, where the school is more than 2 but less than 6 miles from the child's home, and
  - the nearest suitable school preferred because of \*religion or belief for pupils whose parent(s) adhere to that particular faith, where that school is more than 2 but less than 15 miles from the child's home.

\*Parental adherence is defined as: to the Roman Catholic faith, where at least one parent and the pupil are baptised Roman Catholic; or to the Anglican faith, where at least one parent is a confirmed Anglican and the pupil is baptised Anglican (see note 5).
4. A suitable school is the maintained school which, in the view of the County Council, offers an efficient full-time education suited to the age, ability, aptitude and any special educational needs of the pupil and at which there is a place available for the pupil. For pupils whose nearest suitable school is in a neighbouring authority, the County Council will also provide free transport to the nearest suitable school within County Durham, providing that other eligibility criteria (e.g. distance) are met. If the nearest suitable school is a Voluntary Aided (Church) maintained school, transport will be provided over the distance limit(s) to this and to the nearest suitable non-Voluntary Aided maintained school.
5. If applying under the national policy (note 3) for transport to the nearest suitable school preferred because of religion or belief you are required to provide the following supporting documentation:
  - baptismal certificates (for travel assistance to a Roman Catholic School).
  - confirmation and baptismal certificates (for travel assistance to an Anglican School).

Should these not be available, please attach a letter from your parish priest confirming that at least one parent and the child are baptised Roman Catholic, or from your vicar confirming that at least one parent is a confirmed Anglican and the child is baptised Anglican. **Failure to do so will result in your request for free travel being refused.**
6. Where you feel that exceptional circumstances may prevail, even when the distance from home to school is less than the walking limit(s) (see note 2), e.g. where a pupil has a severe mobility difficulty which would prevent him/her from walking the distance to school, accompanied as necessary, this application form should be completed and submitted, together with supporting information providing details of the exceptional circumstances.
7. Distances are measured from home to school by the shortest available walking route, which may not follow the appropriate bus route. Where a school/academy operates on 2 sites, the site the pupil will attend for the majority of the academic year for which transport is applied will be the site used for the purpose of measurement of home to school/academy.
8. Special note must be taken of the bus pass conditions of issue. These will be enclosed with the pass. Bus passes are issued in accordance with the rules and regulations of the particular bus company.
9. From the date an application is received, together with supporting information where appropriate, applicants eligible for free home to school transport may be reimbursed appropriate travel expenses (bus fares) incurred whilst awaiting the provision of transport arrangements. See contact details below to request a reimbursement claim form.
10. We reserve the right to seek proof of address and withdraw any award made on the basis of an inaccurate address or any other inaccurate information you may provide. The data held by Durham County Council about this application may subsequently be shared across the Council and/or be disclosed to other appropriate organisations or bodies. However, the sharing or disclosing of your data will only be done for the detection and prevention of crime, to identify and correct errors and/or for verification purposes.
