

18th June 2021

Dear Parent/Carer

Following my letter dated 27th May, I am delighted to announce that Mr Potts who is currently deputy head teacher, has agreed to become acting head teacher from September.

As someone who has worked with Mr Potts for nearly 10 years, I can assure parents that the school is in safe hands. Mr Potts has shown tremendous commitment to the school over the last 13 years, is well respected by the school team and governors and has great relationships with our students.

I will, as mentioned in my previous letter, still be involved with Wellfield and look forward to continuing to work with Mr Potts and the team.

Yours faithfully

Linda Rodham
Headteacher
