TRANSITION  
TUESDAY

Here at Wellfield we are aware that moving up to a secondary school can be daunting, with this in mind we're creating videos and social media posts explaining what to expect when you come to Wellfield.

Every Tuesday there'll be a fresh post, so watch out for the hashtag [#transitiontuesday](#)

# Young Tree Champions

In an endeavour earlier this year, young students from Years 7 and 8 showcased their commitment to environmental stewardship through their active participation in the Geography and Science clubs. Embarking on a noteworthy initiative, these students diligently planted a number of trees within the Wellfield grounds. To further nurture their budding interest in conservation, a workshop was organized on Thursday, where a representative from The Young Tree Champions program engaged them in a series of educational activities. This insightful session delved into the significance of nature in our world and enlightened the students on various ways they can contribute towards its preservation.

# Congratulations Page

T. Scott- Excellent answers in Geography this week! Well done from Mr McAllister!

A big shout for all of Year 7 & 8 for their enthusiasm during the coronation activities last week.

Also the kitchen staff for the amazing buffet for the Coronation Big Lunch from Mrs. Gibbons

I'd like to give a shout out to G. Emeades in 9.7 - he is mature, kind and always displays a positive attitude for learning in English lessons. Super proud of you! from Miss Hooper

Congratulations to E. Harris - Whole school High Jump record, J. Bradley - Y7 Javelin record and O. Bell - Y7 800M record - from Mr. Shield
